

Request for Class II Permissive Change

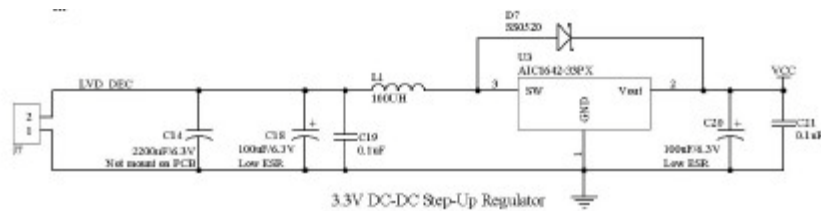

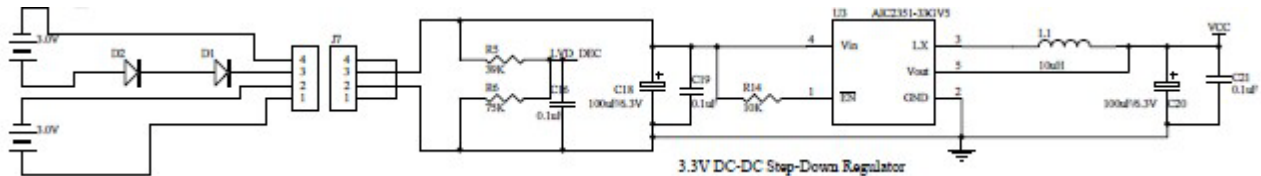

FCC ID: XLU83787790

IC: 7293B-83787790

Date: Jun 7, 2010

Please be notified that we, the undersigned, Activision declare that the reasons for this Class II permissive change are as below:

We are changing the battery circuit so that the batteries are all now in series and we are using a step down regulator in the circuit.
