RE: Models Declaration Letter

To whom it may concern,

This letter is to declare that that models ADRB-USB-V2 and ADRB-232-V2 are similar. The similarities and differences are outlined as below:

- 1) Similarities between models: same RFID module; electrically identical.

- 2) Differences between models: One version has USB interface and the other version has serial interface.

Sincerely,

A handwritten signature in black ink that reads "R. Cole". The signature is written in a cursive, slightly slanted style.
