**FCC ID: XMK-MMXTRNB005 - USB Port Declaration**

To whom it may concern

This letter is to attest that the port marked USB has not been included in the CFR 47 Part 15 section 15.209 testing of the above mentioned device.

Presently the USB port is only intended for use with plug-in USB devices. An example of such a device would include, but is not limited to, USB memory devices. The USB port will not be connected as a peripheral device to a computer.

The USB port is currently not configured, as the necessary drivers are not available and additional uses have not yet been considered and developed.

It is possible that the USB port maybe configured for additional uses in the future at which time the compliance issues relating to this port will be re-assessed.

Yours Sincerely,  
**Signatory:**
