

veeaHub™

Quick Start Guide

Model **VHE09**

Welcome

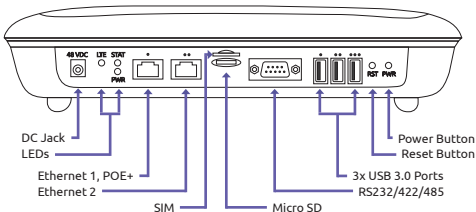

Thank you for choosing Veeahub. Please follow these simple but important instructions for optimal use of your new device.

Package Contents

Your Veeahub package contains the following:

- 1 x Veeahub
- 1 x Power Adaptor - including country specific lead
- 1 x Wall/Ceiling Mounting Bracket - including mounting screws
- 1 x Quick Start Guide

Your Veeahub Unit

Your Veeahub unit's Serial Number, MAC Address, and ID are on a sticker located under the device.

Installation & Support

For instructions on how to install and register your Veeahub, please visit www.veea.com/products/VHE09/user_guide or scan the QR code below.

Notes & Warnings

- If an Ethernet cable (not supplied) is used, it should be of a shielded type (CAT 6 or greater)
- This unit contains a CR2032 coin cell battery.
CAUTION: Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions.
- The ambient operating temperature range of this equipment is 0 °C to 50 °C.
- Your Veeahub should be placed or mounted on a flat surface. The unit and mounting bracket should not be obstructed.

Compliance

For regulatory compliance information, please visit www.veea.com/products/VHE09/regulatory. See the regulatory compliance document before connecting the power supply.
