Subject: Permission for Class II Permissive Change  
Quectel Wireless Solutions Company Limited  
FCC ID: XMR201707BG96

To Whom It May Concern:

We, Quectel Wireless Solutions Company Limited, hereby authorize Brian Brockway CEO for VivaQuant Inc. to file a class II permissive change of the FCC ID XMR201707BG96 for their use in the Model RX-1 under all applicable parts of the FCC rules and regulations.

The RX-1 uses this modularly approved device as described in the application literature for the modem and has not modified the hardware or software of the approved module. The RX-1 uses an antenna that meets the requirements specified by the manufacturer for the modem in agreement with its approval.

The RX-1 limits the output power through duty cycle of the modem to allow for use within 20 cm of the torso on the body.

We, the undersigned, hereby authorize

Brian Brockway, CEO  
VivaQuant Inc.
