Subject: **FCC Class II Permission Change Request for FCC ID: XMR2023SG560DWF**

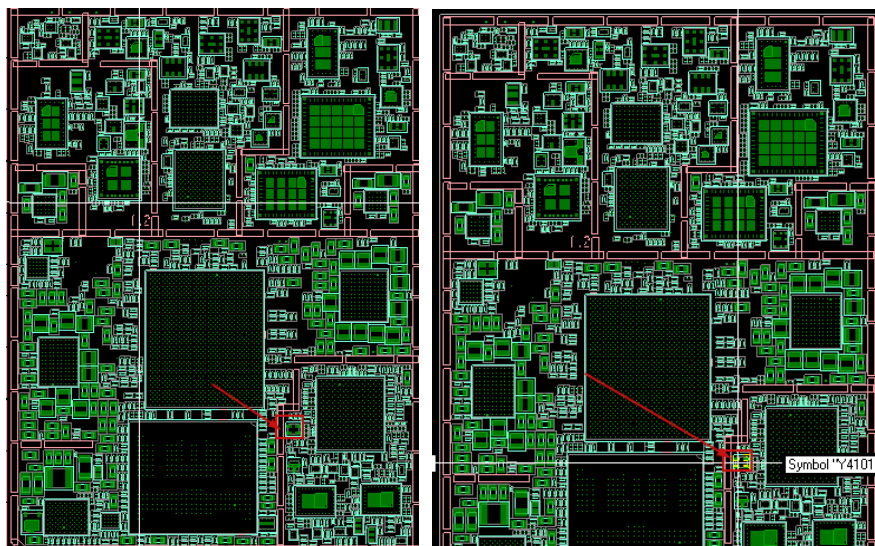

Dear Sir/Madam,

This is to request a Class II Permission Change Request for FCC ID: XMR2023SG560DWF, originally granted on 2023/06/20.

The Major change filed under this application is:

We have updated the clock scheme of the module WiFi unit, and the old clock scheme continues to provide the clock signal for the entire system except WiFi. The left figure shows the original clock scheme, and the right figure shows the updated clock scheme. After the update, the module is the same everywhere except for the difference in the clock scheme of WiFi. The new XO solution has no RF impact.

The left is Old XO solution (No components at the marked area) and the right is New XO solution (Crystal oscillator symbol Y4101 added at the mark) .

If you have any questions regarding this application, please free to contact me.

Yours Sincerelv.
