FR Garantie commerciale de Withings limitée à deux (2) ans - Withings Pulse HR

Withings SA, 2 rue Maurice Hartmann, 92130 Issy-les-Moulineaux (« Withings ») garantit le matériel de marque Withings (« Produit Withings ») contre les défauts de matériel et de main d'œuvre, lorsque celui-ci est utilisé conformément aux recommandations publiées sur le Produit Withings sous réserve qu'ils surviennent dans un délai de deux (2) ans suivant la date d'achat initiale par l'utilisateur final du Produit Withings neuf auprès d'un professionnel (« Période de garantie »). Les recommandations publiées comprennent notamment les spécifications techniques, les consignes de sécurité ou les manuels d'utilisation du Produit Withings. Withings ne garantit pas que le fonctionnement du Produit Withings sera ininterrompu ou sans erreur. Withings n'est pas responsable des dommages survenant en raison du non-respect des instructions d'utilisation du Produit Withings.

DE Auf 2 Jahre begrenzte kommerzielle Garantie von Withings - Withings Pulse HR

Withings SA, 2 rue Maurice Hartmann, 92130 Issy-les-Moulineaux, ("Withings") gewährleistet für einen Zeitraum von 2 JAHREN ab dem Datum des Ersterwerbs durch den Endnutzer («Garantiefrist»), dass das Material der Marke Withings ("Withings-Produkte") frei von Material- und Verarbeitungsfehlern ist, vorbehaltlich, dass das Gerät als Neuware und von einem professionellen Händler erworben wurde, wenn es unter normalen Bedingungen gemäß den von Withings veröffentlichten Anleitungen verwendet wird. Die von Withings veröffentlichten Anleitungen umfassen unter anderem die Informationen, die in den technischen Informationen, den Sicherheitsanweisungen und der Kurzanleitung enthalten sind. Withings garantiert keinen ununterbrochenen oder fehlerfreien Betrieb des Withings-Produkts. Withings ist nicht verantwortlich für Schäden, die aus der Nichtbefolgung der Anweisungen resultieren.

ES Garantía comercial de limitada dos (2) Años de Withings - Withings Pulse HR

Withings SA, 2 rue Maurice Hartmann, 92130 Issy-les-Moulineaux ("Withings") garantiza el material de la marca Withings ("Producto Withings") contra los defectos de material y de mano de obra, siempre que se haya utilizado conforme a las recomendaciones publicadas sobre el Producto Withings cuando los mismos aparezcan durante el periodo de DOS (2) AÑOS a partir de la fecha de compra inicial del Producto Withings nuevo en un distribuidor autorizado por el usuario final ("Periodo de garantía"). Las recomendaciones publicadas por Withings incluyen las descripciones técnicas, las instrucciones de seguridad y los manuales del usuario. Withings no garantiza un funcionamiento del Producto Withings ininterrumpido o sin errores. Withings no se responsabiliza de los daños producidos por no haber seguido las instrucciones de utilización del Producto Withings.

IT Garanzia commerciale di Withings limitata ad due (2) anni - Withings Pulse HR

Withings SA, 2 rue Maurice Hartmann, 92130 Issy-les-Moulineaux, ("Withings") garantisce il materiale della marca Withings ("Prodotto Withings") contro i difetti materiali e di mano d'opera qualora questo venga utilizzato in conformità con le linee guida pubblicate per il Prodotto Withings a condizione che questi vengano riscontrati prima di un anno dalla data di acquisto del prodotto Withings da parte dell'acquirente finale presso un rivenditore ("Periodo di Garanzia"). Le linee guida pubblicate riguardano le specifiche tecniche, le consegne di sicurezza o le istruzioni d'uso. Withings non può garantire che il funzionamento del prodotto Withings sarà interrotto o senza alcun errore. Withings non è responsabile dei danni derivanti dal non rispetto dell'istruzione d'utilizzo del prodotto Withings.

Information to users in Canada

Information pour les utilisateurs au Canada

EN This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s).

Operation is subject to the following two conditions:

(1) This device may not cause interference

(2) This device must accept any interference, including interference that may cause undesired operation of the device

Radiation Exposure Statement: The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

FR Cet appareil contient des émetteurs / récepteurs exempts de licence qui sont conformes au (x) RSS (s) exemptés de licence d'Innovation, Sciences et Développement économique Canada.

L'opération est soumise aux deux conditions suivantes:

(1) Cet appareil ne doit pas causer d'interférences

(2) Cet appareil doit accepter toute interférence, y compris les interférences pouvant provoquer un fonctionnement indésirable de l'appareil

Déclaration d'exposition aux radiations: Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et le Canada établies pour un environnement non contrôlé. Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

Federal Communication Commission

Interference statement

EN This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE:

Radiation Exposure Statement: The product comply with the US portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Frequency Range : 2402.0 - 2480.0 MHz

Maximum output power : -3.98 dBm

FCC ID: XNAWAM03 IC: 11411A-WAM03

EN Withings SA hereby declares that the device Withings Pulse HR is in conformity with the essential requirements and other relevant requirements of Directive 2014/53/EU.
