FCC ID Labeling Statement

Date: 12/12/2013

American Certification Body, Inc.
6731 Whittier Avenue
Suite C110
McLean, VA 22101

To Whom It May Concern:

Regarding FCC ID XNL-ORTHOSNSR5:

The device does not have a visible label because all surfaces are patient/open wound contacting and any label attachment would present a safety concern. Additionally, all major surfaces have tight texture requirements, precluding the embossment of such information.
