FCC ID Labeling Statement

Date: 01/07/2014

American Certification Body, Inc.  
6731 Whittier Avenue  
Suite C110  
McLean, VA 22101

Regarding: Labeling  
FCC ID: XNL-ORTHOSNSR6

To Whom It May Concern:

The device does not have a visible label because all surfaces are patient/open wound contacting and any label attachment would present a safety concern. Additionally, all major surfaces have tight texture requirements, precluding the embossment of such information.
