Attention:
Intertek Semko AB

Subject: HDG104 Device under test description

Applicant: H&D Wireless AB

FCC ID: **XO2HDG104**

The HDG104 reference number shall be referred to as the object tested and replaces the former reference SPB104. This change has to be revised also in Intertek's test reports. See enclosed power point "HDG104 device tested".

To HDG104 belongs a module design that includes all external components to make a complete WLAN module. These includes antenna/antenna connector, power supply regulator. **The HDG104 is applied for Limited modular Approval**
