

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1

Solder Board-Component View 1

<p>Solder Board-Component View 2</p>	 A photograph showing a small, rectangular, gold-colored solder board component. The component is positioned on a blue textured surface. A black ruler with white markings is placed below the component for scale. The ruler shows measurements in millimeters, with the component's length being approximately 25 mm and its width approximately 10 mm. The component has a small circular hole near one end and a series of small rectangular features along its bottom edge.
<p>Solder Board-Component View 3</p>	 A photograph showing the same solder board component from a different perspective. The component is positioned on a blue textured surface. A black ruler with white markings is placed below the component for scale. The ruler shows measurements in millimeters, with the component's length being approximately 25 mm and its width approximately 10 mm. The component has a small circular hole near one end and a series of small rectangular features along its bottom edge. The component is oriented vertically in this view.
