To make a warranty claim, do not return this product to the store. Please email support@curtiscs.com or call 1-800-968-9853.

1 Year Warranty

This product is warranted to be free from defects in material and workmanship for a period of one (1) year from the date of original purchase. During this period, your exclusive remedy is repair or replacement of this product or component found to be defective, at our option; however, you are responsible for all costs associated with returning the product to us. If the product or component is no longer available, we will replace with a similar one of equal or greater value. Prior to a replacement being sent, the product must be rendered inoperable or returned to us.

This warranty does **not** cover glass, filters, wear from normal use, use not in conformity with the printed directions., or damage to the product resulting from accident, alteration, abuse, or misuse. This warranty extends only to the original consumer purchaser or gift recipient. Keep the original sales receipt, as proof of purchase is required to make a warranty claim. This warranty is void if the product is used for other than single-family household use or subjected to any voltage and waveform other than as on the specified rating on the label (e.g., 120V~60Hz).

We exclude all claims for special, incidental, and consequential damages caused by breach of express or implied warranty. All liability is limited to the amount of the purchase price. **Every implied warranty, including any statutory warranty or condition of merchantability or fitness for a particular purpose, is disclaimed except to the extent prohibited by law, in which case such warranty or condition is limited to the duration of this written warranty.** This warranty gives you specific legal rights. You may have other legal rights that vary depending on where you live. Some states or provinces do not allow limitations on implied warranties or special, incidental, or consequential damages, so the foregoing limitations may not apply to you.

For faster service, locate the model, type, and serial numbers on your appliance.

-Débranchez le cordon d'alimentation CA si vous n'allez pas utiliser l'appareil pendant une longue période de temps.

ENDROIT DE PLAQUE DE MODÈLE

La plaque de modèle est située sur le dessous de l'appareil.

RENSEIGNEMENTS FCC

REMARQUE: Cet appareil a été soumis des tests et s'est révélé en conformité avec les limites pour un appareil numérique de classe B, conformément à la section 15 des règles de la FCC. Ces limites ont pour but d'assurer une protection raisonnable contre les interférences gênantes dans une installation résidentielle. Cet appareil génère, utilise et peut mettre des fréquences radioélectriques, et s'il n'est pas installé et utilisé selon les instructions, il peut causer des interférences nuisibles aux radio communications. Cependant, il n'y a pas de garantie que des interférences ne se produiront pas dans une installation donnée. Si cet appareil cause des interférences nuisibles à la réception de la radio ou de la télévision, ce qui peut être déterminé en mettant l'appareil en et hors circuit, nous conseillons l'utilisateur l'une ou plusieurs des mesures correctives suivantes:

-Reorientez ou changez l'emplacement de l'antenne de réception.

-Augmentez la séparation entre l'appareil et le récepteur.

-Branchez l'appareil dans une prise sur un circuit différent de celui sur lequel le récepteur est branché.

-Adressez-vous au distributeur ou à un technicien qualifié de radio/téléviseur pour obtenir de l'aide.

AVERTISSEMENT:

Dès changements ou modifications apportés à cet appareil, non approuvés expressément par les responsables de la conformité. Pouvant être l'utilisateur le droit d'utiliser cet appareil.

HDMI®

HIGH-DEFINITION MULTIMEDIA INTERFACE

"HDMI, le logo HDMI et High-Definition Multimedia Interface sont des marques commerciales ou des marques déposées de HDMI Licensing LLC."

Cet équipement est un appareil électrique de classe II ou à double isolation. Il a été conçu de sorte à ne pas nécessiter une connexion de sécurité mise à la terre.
