Re: Certification for Schlage Lock Company / Allegion BE467F and FE410F
IC: 8053B-JAGUAR

Please find enclosed application materials for certification of Schlage Lock Company / Allegion BE467F and FE410F. We tested it and found it to comply with RSS-210/GEN.

Current Variants:

There is only a single electrical version of the EUT, but there are two variants of the external housing (escutcheon). Model BE467F employs the rounded escutcheon, model FE410F employs the square cornered escutcheon.

If there are any questions regarding the application or testing performed, please contact us at the above address or call (734) 252-9785, or e-mail info@wrtest.com.

Sincerely,

Joseph D. Brunett
