Application to Class II Permissive Change

This request is to add new module versions to the FCC ID XPYJODYW164-07A. The difference between the new module versions and the already certified version is described in document Letter of Attestation Referencing Test Data JODY-W163-04A_05A, JODY-W164-04A_05A. The new module versions exist in four variants and the differences between these are described in Declaration of Product Family Equality JODY-W163-04A_05A, JODY-W164-04A_05A.

Thank you for your attention in this matter.

Yours Sincerely,

Filip Kruzela

Certification Manager, u-blox AG
