## 1 Scope

This document provides internal and external photos of the M.2 card JODY-W3, using the JODY-W377-00B module. It is part of the equipment certification application issued to FCC and ISED. Photos of the M.2 card have been taken, displaying also the modules itself with the RF shield mounted and removed.

## 2 FCC/IC ID reference

Ordering Code(s)	FCC ID	ISED ID
