

Subject: FCC Class II and ISED Canada Class IV Permissive Change Request

FCC ID: XPNINAB1

IC: 8595A-NINAB1

Model: NINA-B111

To Whom It May Concern,

Pursuant to FCC 2.1043 and RSP-100, Section 10.4 we request FCC Class II and ISED Canada Class IV permissive change for the authorized equipment (as indicated above) due to the following changes:

- Module is integrated into host device: NEOZ LAMP CONTROL SYSTEM
- Module will use antenna not currently listed on the approved antenna list.
New antenna is: Serica 2.4GHz Antenna – Part Number SR4W035

Thalwil, 20.10.2021
