Application to Class II Permissive Change

This request is to add a new module version to the FCC ID XPYNINAB31. The difference between the new module version and the already certified version is described in document NINA-B316 Letter of Attestation Referencing Test Data. The compliance for the new module version is described in document NINA-B316 Letter of Attestation Referencing Test Data.

Thank you for your attention in this matter.

Yours Sincerely,
