

# SONIC JET

THE HEDGEHOG THE HAWK

## OPERATOR'S MANUAL

### 6+

### MANUEL D'UTILISATION

### Full Function Radio Control

### Tous les fonctions contrôlées par radiocommande

### MANUAL DE USUARIO

### Radio Control de Funcion Completa

#631, 632

### Battery Installation

#### Installation de la pile

#### Instalación de la pila

Steering Alignment Lever  
Manette de réglage de la direction  
Palanca de Alineación de la Dirección

ON/OFF Switch  
Interrupteur ON/OFF (marche/arrêt)  
Interruptor de Encendido

### Controller

#### Radiocommande

#### Controlador

### Battery requirement:

#### 6 X AA batteries

(not included)

### Pilas requisites :

#### 6 pilas AA

(non fournies)

### Pilas Requeridas:

#### 6 x AA pilas

(no incluidas)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.

Cet appareil est conforme à la section 15 des Règles de la Commission Fédérale des Communications (CFC). Son utilisation est soumise aux deux conditions suivantes:  
(1) cet appareil ne doit pas causer d'interférences, et  
(2) cet appareil doit accepter n'importe quelle interférence, y compris les interférences susceptibles d'entraîner son bon fonctionnement.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.

### HINTS WHEN USING BATTERIES

- Do not use old and new batteries or batteries of different types at the same time. When changing batteries, always replace with a new set of batteries.
- Do not use non-rechargeable batteries with rechargeable batteries or rechargeable batteries of different capacities.
- Remove all batteries from the transmitter and the vehicle when not in use for an extended period of time.
- Stop using whenever it's wet to avoid short-circuit.
- Never throw the battery into water or fire or disassemble or weld it.
- Do not use, charge or store for more than a year or in hot and humid place.

### VEHICLE OPERATION

Any of the following conditions may interfere with the behavior and function. The transmitter signals can easily be interrupted. Improper handling may hamper the performance of the vehicle.

### SAFETY PRECAUTIONS

- Keep vehicle away from wet surfaces, heat, sand and high impact!
  - Avoid running on thick carpet or dusty floors.
  - Avoid collision on hard surface.
  - Avoid running 2 vehicles of the same frequency. Always run one at a time unless you purchase vehicle with different frequencies.
  - Keep vehicle away from sandy or dusty areas.
  - DO NOT operate your vehicle on the streets.
  - DO NOT use the supplied antenna wire.
  - The supply terminals are not to be short-circuited.
- This radio communication device complies with all the requirements of Industry Canada Standard RSS-310.

### PRECAUTIONS CONCERNANT LES PILES

- N'utilisez pas ensemble des piles de types différents, ou des piles neuves et usagées. Quand vous changez les piles, remplacez-les toujours par un lot de piles neuves.
- N'utilisez pas de piles non rechargeables avec des piles rechargeables, ou des piles rechargeables de capacités différentes.
- Retirez toutes les piles et batteries de la radiocommande et du véhicule si vous n'utilisez pas les utiliser pendant une période prolongée.
- Arrêtez l'utilisation si le véhicule risque d'être mouillé pour éviter tout risque de court-circuit.
- N'utilisez jamais la batterie dans l'eau ou dans le feu, n'essayez pas de la démonter ou de la souder à quelque chose.
- Ne rechargez pas ou ne rangez pas au jaugez pile un feu ou dans un endroit chaud et humide.

### FONCTIONNEMENT DU VEHICULE

N'importe laquelle des circonstances suivantes peut altérer le fonctionnement et le comportement du véhicule. Il peut arriver facilement que les signaux de la radiocommande soient interrompus. La performance de votre véhicule peut être altérée par de mauvaises manipulations.

### PRECAUTIONS DE SECURITE

- Gardez votre véhicule loin des surfaces mouillées et à l'abri de la pluie.
  - Évitez de faire fonctionner votre véhicule sur des surfaces humides.
  - Évitez de courir 2 véhicules de la même fréquence. Toujours exécuter un à la fois, sauf si vous achetez des véhicules avec des fréquences différentes.
  - Gardez votre véhicule éloigné des zones sabluses ou poussiéreuses.
  - Ne faites pas fonctionner votre véhicule dans la rue!
  - Ne chargez pas votre véhicule en le tenant par son antenne.
  - Ne créez pas de court-circuit entre les piles.
- Ce dispositif de radiocommunication rencontre toutes les exigences de la norme CNR-310 d'Industrie Canada.

### CONSEJOS CUANDO USE LAS PILAS

- No use pilas nuevas con usadas o pilas de diferente tipo al mismo tiempo. Cuando cambie las pilas, reemplázalas todas al mismo tiempo.
- Observe los signos de la polaridad en las pilas e inténdales de manera que concuerden con los signos de la polaridad marcados en el compartimiento de las pilas.
- No use cuando estas mojadas para evitar un cortocircuito.
- No utilice cuando esté mojado para evitar un cortocircuito.
- No intente desarmar la batería o soldarla a algo.
- No cargue o almacene el juguete cerca de un fuente de calor o un lugar húmedo y caluroso.

### MANEJO DEL VEHÍCULO

Cualquier de estas condiciones podría interferir con su comportamiento y funcionamiento. La señal del transmisor puede ser interrumpida con facilidad. El manejo inadecuado del vehículo podría afectar su rendimiento.

### PRECAUCIONES DE SEGURIDAD

- Mantenga el vehículo alejado de superficies mojadas o de la lluvia.
- Evite chocar en superficies duras.
- Evite correr 2 vehículos de la misma frecuencia. Siempre se usa a la vez a menos que la compra de vehículos con diferentes frecuencias.
- Mantenga el vehículo alejado de áreas arenosas o polvorientas.
- No utilice el vehículo en las calles!
- No traslade el vehículo cogiéndolo desde el cable de la antena.
- No cortocircuite los terminales de alimentación.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's warranty to operate the vehicle.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment operates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

Caution: The user should be advised that changes or modifications to this equipment may void the warranty.

Contract the equipment has an outlet on it, do not plug it into a different outlet than the one it was designed for.

Contract the user should be advised that changes or modifications to this equipment may void the warranty.
