

# Antenna Specification

**1. Antenna describe:**

Antenna plate	PCB antenna
Make name/model name	/
Antenna max gain	-1.07 dBi
Frequency range	2.4GHZ-2.483GHZ
Connector type	Integral
Applicant	Fender Musical Instruments
Manufacturer	GP Electronics (HK) Limited
Model number	1726-351A+0006

**2. External view drawing:**
