Paper Holder 14. Paper Holder</p>		<p><b>VT warning</b> This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of FCC Rule. These limits are designed to provide reasonable protection against harmful interference in a residential environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause interference to radio communications. However, there are no guarantees that interference will not occur in a particular location. If interference does occur, you may wish to consult the dealer or a qualified technician for assistance. Features that can be turned on or off to reduce the amount of radio frequency energy emitted from this equipment are described in the User's Manual. Changes to these features may affect the performance of the device.
