

## FCC and IC Electronic Label Information

XRAFB409

8542A-FB409

### E-Label Access

Users are able to access the information in 3 steps:

- 1) Click Settings
- 2) Click About
- 3) Scroll to the Regulatory Menu

The Regulatory Info menu option will display the additional regulatory information.

The information is stored on the device, no special accessories or supplemental plugins (e.g. a SIM/USIM card) are required to access the information. This E-Label is pre-programmed by the grantee. The user cannot modify the E-Label information. The FCC ID will also be accessible via the outer retail packaging for immediate reference.

Images of the E-Label screen are shown on the following page.
