## E-Label Access

Users are able to access the information in 3 steps in device's menu. The actual steps are:

1. Click left button on device
2. Tap "Settings"
3. Scroll through menu to "Regulatory Info"

The Regulatory Info menu option will display the additional regulatory information.

The information is stored on the device, no special accessories or supplemental plug-ins (e.g. a SIM/USIM card) are required to access the information. The eLabel is pre-programmed by the grantee. The user cannot modify the e-Label information.
