RE: Model Variants

To Whom It May Concern:

CAP M 23/23/25/25 FCC ID XS5-CAPM23232525 has two model variants: 7820689-0001 and 7820689-0002. The two variants use different power supplies.

7820689-0001: 100VAC to 240VAC

7820689-0002: -72VDC to -36VDC

Other than the power supplies, the two variants are identical.

Sincerely,

Name: Omar Parimbelli
