Warning Message Declaration

To: MET Labs TCB
914 W. Patapsco Ave.
Baltimore, MD 21230

To Whom It May Concern:

This letter declares that the product associated with the submission of FCC ID XS5-CAPM23232525 does have warning label messages on the outside packaging of the device. Warning messages will be included in online marketing material. It is not sold retail, so there are no point-of-sale marketing materials.

Sincerely,

Van Hanson
