Re: Onboard Modular Transmitter Grant Conditions Compliance

To Whom It May Concern:

Lilee Systems, LTD. PTC-3000 family meets PTC-3000 RF 220MHz RF board, onboard WiFi card, and onboard 3G card modular grant conditions. Furthermore, PTC-3000 family PTC-3000 RF 220MHz RF board, onboard WiFi card, and onboard 3G card meet antenna usage regulatory (i.e. FCC, IC) grant conditions, and operations, such as, using separate antennas for WiFi, 3G, and 220MHz and higher gain antennas utilizing the provided standard manufacturer firmware, as stated per grant conditions, are prohibited.

This authorization is valid until further written notice from Lilee Systems, LTD.

Sincerely,

Jia-Ru Li
