Dear FCC Representative:

Cardiocom requests dismissal of the FCC grant. The FCC ID is XTQGC500X001.

The date of marketing for the device is unknown at this time. We do not want sensitive information made available to the public ahead of the device's release to market.

Please ensure that all documents and references associated with this FCC grant and FCC ID are removed from the FCC website and public access.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tracy Mitchell', with a stylized, cursive script.

Tracy Mitchell
