Subject: Request for Confidentiality

To Whom It May Concern:

We, Mitec Telecom Inc., hereby request that the Exhibits/Items listed below be withheld from public inspection in accordance with Sections 0.457 and 0.459 of the Commission's Rules. This due to the following reasons:

There are advanced technical and design solutions/information in the Exhibits/Items, as mentioned above, that we regard as Mitec proprietary, with actual and potential patents pending. The information can be advantageous to our competitors as well as sources seeking ways to hack past the built in security functionality. These solutions or information thereof are not accessible even for our customers or partners unless non-disclosure agreements for particular item(s) have been signed. Confidential product information can be found in, but not necessarily limited to, block diagrams, schematics diagrams, and parts lists as well as technical circuit description. Those documents can only be accessible by the customers who purchase our Fiber Span and accept the conditions and therefore are provided with unique information access tools.

EXHIBIT 10 N/A
 EXHIBIT 11 Block Diagram
 EXHIBIT 12 Schematics
 EXHIBIT 13 Parts List
 EXHIBIT 14 Technical Circuit Description

Regards,

If any further information is required, please contact me directly. Also, would you please inform me when the Request for Confidentiality has been accepted and granted?

Regards,
