Request for Confidentiality

**Company name: Standard Motor Products, Inc.  
FCC ID: XVBN1A01  
FCC Part 15 Certification**

To whom it may concern:

In accordance with 0.459 of CFR 47, Standard Motor Products, Inc. hereby requests confidentiality of all Block Diagrams, Schematics, Internal photos(device is potted)<sup>1</sup>, Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Standard Motor Products, Inc. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Standard Motor Products, Inc. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

1. DUT is fully potted using a non-removable epoxy based material. Removal of potting material causes irreparable damage to internal circuitry.

Sincerely,
