Request for Confidentiality

Company name: Standard Motor Products, Inc.
FCC ID: XVBU1C02
FCC Part 15 Certification

To whom it may concern:

In accordance with 0.459 of CFR 47, Standard Motor Products, Inc. hereby requests confidentiality of all Block Diagrams, Schematics, Operational Description and internal photos(device is potted) ¹ attachments for the subject application.

1. DUT is fully potted using a non-removable epoxy based material. Removal of potting material causes irreparable damage to internal circuitry.

These documents contain detailed system and equipment description and related information about the product which Standard Motor Products, Inc. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Standard Motor Products, Inc. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Gasiewski', is written over a horizontal line. The signature is stylized and somewhat cursive.
