**Request for Confidentiality**

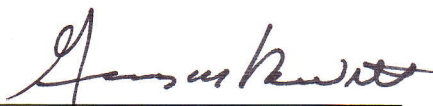

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

- Schematics
- Block diagram
- Users Manual
- Radio Module Operation Description

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

The user manual should be held confidential because it is very technical and is not provided to the consumer because the consumer cannot service the device.
