UWB Tag, Model UWT-1100

To whom it may concern:

Zebra Enterprise Solutions Corp. hereby requests confidentiality under sections 0.457(d)(1)(ii) and 0.459 of CFR 47. We request that Block Diagrams, Schematics, and Operational Description attachments for the subject application be permanently withheld from public review.

These documents contain detailed system and equipment description and related information about the product which Zebra Enterprise Solutions Corp. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Zebra Enterprise Solutions Corp. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
