Declaration regarding Sepura STP8080 and STP8280

IC certification number: XX6-STP8280
Company: SEPURA plc
Product: STP8080 & STP8280

We, Sepura plc do declare that the only differences between our Tetra portables type numbers STP8080 and STP8280 is the fitment of a different key-mat and key-mat bezel, and the STP8280 has a mono LCD whilst the STP8080 has a colour LCD. Apart from these changes the products are identical in all other mechanical respects and are identical in all electrical and RF aspects. The STP8280 does not have a Bluetooth module fitted.

Any Test Report covering the STP8080 to FCC specifications are also applicable to STP8280 as there are no differences to the RF circuitry or RF screening between the two products.

We further declare that both products are manufactured from the same basic Bill of Materials, contain the same software and firmware and follow identical Quality and Manufacturing Processes.

Yours sincerely,

Company Officer: Bob Allen
Telephone Number: 01223 877291
