McLean, Virginia 22101
USA

RE: Cover letter - Configuration for FCC ID: XX6STP8X and IC: 8739A-STP8X

To whom it may concern:

We Sepura plc, the undersigned, hereby affirm:

Functional capabilities are limited to factory settings depending on the country of destination. The available configurations for the United States and Canada are limited to the following frequencies and operation bandwidths:

Country	Transmitter frequency range
Canada	407-430 MHz, 450-470 MHz
United States of America	450-470 MHz

There are no controls available to the user to change these configurations. Only Sepura authorized personal, through dedicated tools/programs, can modify them.

Sincerely,

p.a.

Steve Wood
Verification Engineering Team Leader
