Declaration regarding Sepura STP9040 and STP9240

FCC certification numbers: XX6STP9040 and XX6STP9240

Company: SEPURA plc

Product: STP9040 & STP9240

We, Sepura plc do declare that the only differences between our Tetra portables type numbers STP9040 and STP9240 is the fitment of a different key-mat and key-mat bezel, and the STP9240 has a mono LCD whilst the STP8040 has a colour LCD. Apart from these changes the products are identical in all other mechanical respects and are identical in all electrical and RF aspects. The STP9240 does not have a Bluetooth module fitted.

Any Test Reports covering the STP9040 to FCC specifications are also applicable to the STP9240 as there are no differences to the RF circuitry or RF screening between the two products.

We further declare that both products are manufactured from the same basic Bill of Materials, contain the same software and firmware and follow identical Quality and Manufacturing Processes.

Sincerely,

Company Officer: Steve Wood

Telephone Number: +44 (01223) 877354
