

## Statement of Similarities and Differences Between Beacon Model Variants rescueME PLB3 and ResQLink AIS (PLB-450)

Figure 1

The Ocean Signal PLB3 and ACR PLB-450 are essentially identical products with different exterior labels and body colours (Ocean Signal Yellow and ACR Chartreuse) as shown in Figure 1.

The products are electrically identical. The electronics, battery, firmware and functionality are the same in both products.

Both products are manufactured by Ocean Signal Limited at their manufacturing site in the UK under the same quality system and testing regime.

The Manuals, Quick Start guides and retail boxes for each product have different branding accordingly.

The two branded products will also have additional names that may be used in different markets as follows:

PLB3 will also be known as rescueME PLB3.

PLB-450 will also be known as ResQLink AIS.
