Attestation Statement – Ocean Signal V100 VHF Handportable (GMDSS)

Dear Sir,

Ocean Signal hereby request that the SafeSea[®] V100 VHF survival craft portable two way radiotelephone apparatus are approved under part 80.1101(c)(7) and 80.271 of the Commissions rules contained in CFR47, for use on SOLAS ships as part of the GMDSS as well as for voluntary fit by other users.

There are two variants of the V100 which are identical with the exception of an accessory socket fitted for the connection of external devices such as headsets, helmets, etc. All testing was carried out on the accessory socket version. Both versions are identified under the generic product code of SafeSea V100.

The SafeSea V100 has been tested in accordance with IEC61097-12 and IEC60945 and is compliant with IMO resolutions A.809(19), as amended by MSC149(77) and A.694(17).

Signed on behalf of Ocean Signal Ltd
