**Asiatelco Technologies Co.**, address: #289 Bisheng Road, Building-8, 3F  
Zhangjiang Hi-Tech Park, Pudong, Shanghai 201204, China, designed CDMA EVDO  
Fixed Wireless Phone in 2010 (Model: AWP-AE80/ FCC ID : XYOAWP-AE80) for  
India operator **TATA Enterprise**, address : Kamla Executive Park, 7<sup>th</sup> floor, Near  
Vazir Glass factory, Andheri-East, off andheri-Kurla road, Mumbai India 400059 .

The CDMA EVDO Fixed Wireless Phone (Model: AWP-AE80/ FCC ID : XYOAWP-AE80) is for India market only, and never and no plan to be sales in USA market.  
And so far this products do not have been sold with the FCC identifier on it in any  
market, The lable do not have been printing with FCC ID : XYOAWP-AE80 .

When the phone ,XYOAWP-AE80, was in TATA Homologation in Mumbai, TATA  
required XYOAWP-AE80 should pass by FCC certification. But unfortunately  
XYOAWP-AE80 didn't win the TATA purchase order release, and stop whole project  
before mass production. In the future , we do not sold this products with this FCC ID

So ,now we apply to dismiss FCC ID :XYOAWP-AE80 JBP  
TC number : TC346866

Sincerely Yours,

*Wang Ci*
