

Hi,

1 The 731 is correct. Titan Pet Products is the applicant and should also be billed for this project.

2 A revised 731 was uploaded.

3 A revised label has been uploaded. The applicant is requiring FCC only. He will submit later for IC certification.

4 Applicant will submit for IC certification at a later date.

5 Please disregard our comment concerning the operational description as being confidential. We have uploaded the block diagram.

Thank you Gene Bailey
