TO WHOM IT MAY CONCERN

Request for Permissive Change Class II
FCC ID: XZU3304

Pursuant to CFR § 2.1043, we hereby request a Permissive Change Class II for our application with FCC ID: XZU3304

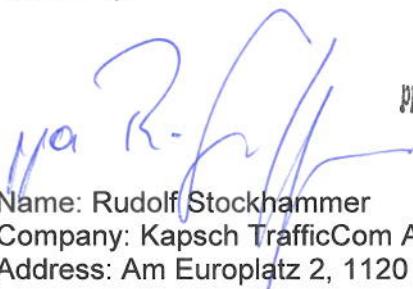

Reason for PCII:

The origin tested unit, documented in test report 1-1827-01-03/09-A (2010-01-28), only supported a data rate of 6 MBit/s. The new unit supports all data rates specified in ASTM E2213, Table 3. Therefore additional measurements were performed to show compliance.

The following new exhibits will be uploaded:

- Cover Letter
- Test report

Sincerely,

ppa Rudolf Stockhammer
