To whom it may concern,

RE: FCC Part 15 Multiple Listing

Currently approved devices: JN5139-Z01-M04, JN5139-Z01-M00

Request Multiple Listing for devices: 15202 and 15200 respectively

Dear Sir,

This letter authorizes the FCC to use information presently on file for the Jennic JN5139-Z01-M04 (FCCID TYOJN5139M4 granted 04/09/2009) and JN5139-Z01-M00 (FCCID TYOJN5139M0, granted 03/26/09) to grant a multiple-listing certification for the referenced Newport Electronics devices.

The new FCCIDs for the multiple listed devices with Newport Electronics' unique name and UPN number would be

Model No: 15202, FCCID: XZV15202 – equivalent to Jennic FCCID TYOJN5139M4

Model No: 15200, FCCID: XZV15200 – equivalent to Jennic FCCID TYOJN5139M0

The undersigned declares that, from the data provided by Newport Electronics, the model numbers to be multiple listed are physically and electronically identical to the design and construction of the originally approved models.

Best regards,

A handwritten signature in black ink that reads "C. Faulkner".

Colin Faulkner
