FCC Statement: Labeling area is considered too small to include compliance statement. FCC ID placed on Product, Packaging, and User Manual. Compliance statement has been placed in User Manual.

Per FCC, 784748 D01 Labeling Part 15.18 Guidelines v08, "If the labeling area is considered too small and therefore it is impractical (smaller than the palm of the hand) to display the compliance statement, then the statement may be placed in the user manual or product packaging."

Due to the size and/or nature of this radio equipment, the manufacturer's registered trade name or registered trade mark and the postal addresses cannot be indicated on the radio equipment. Manufacturer's registered trade name or registered trade mark and the postal addresses have been indicated on the radio equipment's packaging and user manual.

Directive 2014/53/EU, Chapter 6, Article 10: "Manufacturers shall indicate on the radio equipment their name, registered trade name or registered trade mark and the postal address at which they can be contacted or, where the size or nature of radio equipment does not allow it, on its packaging, or in a document accompanying the radio equipment. The address shall indicate a single point at which the manufacturer can be contacted. The contact details shall be in a language easily understood by end-users and market surveillance authorities."
