Request for Confidentiality

Company name: Netronics Technologies Inc.
FCC ID: Y3R NS58100
FCC Part 15C Certification

Gentlemen,

In accordance with 0.459 of CFR 47, Netronics Technologies Inc. hereby requests confidentiality of the following attachments for the subject application.

Antenna specification
Block Diagrams
Schematics
Bill of Material
Internal Photographs

These documents contain detailed system and equipment description and related information about the product which Netronics Technologies Inc. considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Netronics Technologies Inc. considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

The product is a non-consumer device and is inaccessible to the general public. The product is mounted on towers and mounting poles and serviceable only by the licensee or his designated technicians.

Sincerely,

Signature
