## **Confirmation Letter For Protecting against using 25 KHz channel separation**

**FCC ID: Y4GCU600-2**

**Date: Apr. 19,2011**

**Federal Communications Commission  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046**

**To whom it may concern:**

**We, the undersigned, hereby confirm that the channel separation of 25 KHz will be disabled by configuring the firmware during the final production. We had well understood the requirements of FCC regarding to the issue and we will guarantee that the final products supporting only 12.5 KHz channel separation will be produced and supplied to the U.S. Market.**

**Sincerely,**

A handwritten signature in Chinese characters, '舒成涛' (Shu Cheng Tao), is written in black ink. The signature is positioned over a large, textured red star stamp. There are also some faint red markings and characters around the star.
