

## **Mode of transmission of different RF modules of MWS Reader**

11<sup>th</sup> November 2014

Subject: non-simultaneous transmission of Bluetooth module and IEEE 802.15.4 module of MWS Reader

FCC ID: Y6D-MWSAR010

We TERTIUM Technology S.r.l., declare that the normal operating mode of MWS Reader does not allow the bluetooth module and the IEEE 802.15.4 module to transmit data at the same time. The MWS Reader always wait for the IEEE 802.15.4 transmission to end before starting a Bluetooth transmission.

Company Name: TERTIUM Technology S.r.l.

Company Address: Via G.B. Picotti, 8 – 56124 PISA – ITALY
