Re: Request for confidentiality

Applicant: Communications Laboratories, Inc.

FCC ID: Y6T-EMNET

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Communications Laboratories, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Detailed Block diagrams**
- **Detailed Operational/Functional Description**

Rationale for request for confidentiality:

Communications Laboratories, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in black ink, appearing to read "Roland Lussier". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Roland Lussier, President

Communications Laboratories, Inc.
