LMA Declaration Letter

We, (Aircell Business Aviation Services), declare that we will retain control over the final installation of the device, (FCC/IC ID: Y7A-P18450/ 10226A-P18450) so that compliance of the end product is assured. In such cases, an operating condition on the LMA for the module must be only approved for use when installed in devices produced by a specific manufacturer.
