

CLASS II CHANGE LETTER

FEDERAL COMMUNICATIONS COMMISSION
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046
U.S.A.

Date: 2013/08/14

To whom it may concern,

Request for class II Permissive Change

Pursuant to CFR 2.1043, Arnold & Richter Cine Technik GmbH & Co. Betriebs KG hereby request a Class II Permissive Change for following device

FCC ID: Y7N-EMIP100
Date of Grant: 03/21/2011

There are following modifications to the already certified device

1. Form factor of printed circuit board reduced
2. Power Supply Voltage reduced from 5V to 3,3V incl. removal of the voltage converter
3. Interface plug assembly moved from top side to bottom side of PCB
4. Power Supply Regulator moved into the HF cage
5. Removed Debug plug

For marketing purposes the model name will be EMIP2.

Sincerely,

Applicant's company name: Arnold & Richter Cine Technik GmbH & Co. Betriebs KG
Applicant's Company address: Jürgen Althammer, Türkenstr. 89, D-80799 Munich
