Re: Request for confidentiality

Applicant: ASSA ABLOY AB
FCC ID: Y88-MBM1CC2640

Justification Letter - Request for permission for permanent confidentiality for manual and photos, FCC ID: Y88-MBM1CC2640.

We, ASSA ABLOY, hereby request for permission for permanent confidentiality for manual and internal- and external photos (in addition to the previously applied sections: schematics, detailed block diagrams, detailed operational/functional description, parts list, user manual)

The product is a small Bluetooth Low Energy module that is soldered as component and may be used in our end products. The module will not be sold by itself to external parties but will only be used inside ASSA ABLOY products.

The manual and photos contain proprietary information and will only be used by ASSA ABLOY internal expertise in order to develop host devices containing the module. NDAs are not applicable since only ASSA ABLOY group companies will use this module in products.

Sincerely,

Kai Eberle
