FCC OET – Office of Engineering and Technology Equipment Authorization Branch

FCC ID: Y8L-MN0200 Model: MN0200

## **Authority to Act as Agent FCC**

On our behalf, I appoint Tom Tidwell of Nemko USA, Inc. at 802 N Kealy Avenue, Lewisville TX 75057 to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in FCC regulations will have affixed to it a label identical to that submitted for approval with this application.

Pursuant to section 95.1217, the MN0200 Implantable device FCC ID number and the information required in Section 2.925 will be placed in the User manual and on the shipping box label in lieu of being placed directly on the implantable device.

In signing this letter, Applicant certifies that neither the applicant nor any party to the application is not subject to a denial of Federal benefits, that include FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862 because of a conviction for possession or distribution of a controlled substance. See 47 CFR 1.2002(b) for the definition of a "party" for these purposes.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for certification still resides Spinal Modulation, 1135 O'Brien Drive, Menlo Park, CA, 94025.
