Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: YAMTC-508V2

Applicant: **Hytera Communications Corporation Ltd.**

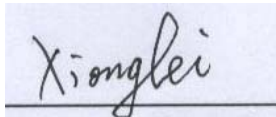

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: YAMTC-508V2 originally granted on 12/09/2010.

The change under this application is to forbid 25 KHz channel separation to use in USA by software control and only use 12.5 KHz channel separation.

I attest that forbid 25 KHz channel separation to use in USA and only use 12.5 KHz channel separation by software control will not affect the RF function out of the grant conditions.

Sincerely

Signature: _____
